Increase Curb Appeal and Resale Value with James Hardie® Siding

The Pros Know

There are many other projects you can tackle, but only re-siding with fiber cement gives you the best return on your investment 4 years in a row.

- Residing with fiber cement gives a 31% better return than adding a bathroom and costs \$61k less to complete
- Minor kitchen remodel gives you a 10% less return on investment than re-siding with fiber cement
- Adding a second story addition nets you 23% less return on investment than fiber cement re-siding

Remodeling magazine is the industry's leading home improvement magazine. Since 1988, Remodeling magazine's Cost vs. Value Report has compared construction costs for common remodeling projects with the value they add to a home at resale in the current real estate market. The results – upscale siding projects using fiber-cement return the highest value at resale.
